AREA OF CONSIDERATION:

This position is in the Federal/Excepted Civil Service and is **open to current members and those eligible for membership in the Arizona Army National Guard.** Individual selected will receive a **Permanent Appointment** after successful completion of a one year trial period. Acceptance of a Federal Excepted technician position of over 179 days in length will cause termination from the Selected Reserve Incentive Program (BONUS). Individual selected will require a military medical records screening if applicable, to be completed prior to appointment, and/or may be required to take a pre-employment medical screening examination dependent on the position type and military medical records screening results.

INSTRUCTIONS FOR APPLYING: Individuals applying for vacancies with the Arizona National Guard may submit Optional Form 612 (Optional Application for Federal Employment), or a Resume. Application documents must contain the Announcement Number, Title and Grade(s) of the job being applied for. Personal information must include full name and address (including ZIP Code), Day and evening phone numbers (with area code). Work experience information should be limited to either paid or nonpaid experience directly related to the position that the individual is applying for and must include: Job Title, Duties and accomplishments, Employers name and address, Supervisors name and phone number, starting and ending dates, hours per week and salary.

Applicants **MUST** submit a completed AZNG Form 335-2-R (Knowledge, Skill and Ability Supplement) or a separate document explaining how they meet each Knowledge, Skill and Ability listed below and a Resume or the Optional Form 612. Applicant **MUST** submit complete ERB and/or other documentation to verify possession of MOS.

EVALUATION PROCESS: Each applicant must **FULLY SUBSTANTIATE** on their application how they meet the requirements listed in the specialized experience area; otherwise applicant will be considered unqualified for this position. Applications will be evaluated solely on information supplied in the application (OF 612) or resume. Experience will be evaluated based on relevance to the position for which application is being made. Include job titles, starting and ending

dates (month and year), hours per week, salary, duties/accomplishments, employer(s) name and address, and supervisor(s) name/phone number and permission to contact.

CONDITION OF EMPLOYMENT: Prior to appointment into this position, selectee must be a current member of the Arizona Army National Guard, in a military unit supporting WAATS and must possess the following MOS: 15 series

- Federal employment suitability as determined by a background investigator.
- May be required to successfully complete a probationary period.
- Participation in the Direct Deposit/Electronic Funds Transfer Program.
- Military Uniform must be worn.
- Applicants must maintain membership and employment in the National Guard in the military grade listed in this announcement.

EQUAL OPPORTUNITY: The Arizona National Guard is an Equal Opportunity Employer. Selection for this position will be made without regard to race, religion, age, national origin, sex, political affiliation, marital status, membership or nonmembership in an employee organization or any other non-merit factor.

Relocation Incentive may be offered:	YES <input type="checkbox"/>	NO <input checked="" type="checkbox"/>
PCS may be offered:	YES <input type="checkbox"/>	NO <input checked="" type="checkbox"/>

NOTES:

NOTE: This position is subject to rotating shifts, night shifts, and weekends/holidays.

KNOWLEDGE, SKILLS AND ABILITIES REQUIRED FOR SUCCESSFUL PERFORMANCE IN THIS POSITION:

Each applicant should fully justify on their application how they meet each KSA listed below using AZNG Form 335-2-R to reference the justification.

1. Skilled in the use of precision measuring and testing instruments such as precision micrometers and vibration analyzers.
2. Ability to detect source of vibrations in items such as propellers, rotors, and engine systems in order to troubleshoot, repair, and modify propellers, rotors, and components using precision micrometers and vibration analyzers.
3. Ability to plan work sequences, select tools and repair parts and otherwise carry assignments through to completion, referring only unusual and difficult problems to the supervisor.
4. Ability to disassemble, repair, and reassembling powertrain components, such as drive shafts, gear boxes, mast assemblies.

SPECIALIZED EXPERIENCE: Must possess at least **18** months experience or training performing standard, routine assembly and disassembly operations and making prescribed modifications to aircraft propellers, assemblies, and accessories. Experience or training performing maintenance overhaul, troubleshooting, testing, and repair of aircraft propellers, components, for rotary wing aircraft. Experience determining maintenance needed from work orders, inspection reports, historical record, and by own diagnosis.

BRIEF JOB DESCRIPTION: This position performs maintenance, removal, installation, inspection, troubleshooting and testing of aircraft rotor and propeller systems. Tests and troubleshoots aircraft rotor and/or propeller systems using special tools and test equipment. Performs troubleshooting of the powertrain systems using special tools and test equipment, diagnoses any system malfunctions and makes necessary repairs. Subjects rotor, propeller, and powertrain parts to a variety of nondestructive testing to identify imperfections not otherwise detected. Utilizing power hoists, special slings and balancing equipment, aligns and balances assembled propellers/rotor blades by making appropriate linkage adjustments and by making both chordwise and spanwise weight adjustments to bring blades into true balance. Performs operational checks of installed aircraft blades and associated sub-systems both inflight and during aircraft maintenance ground runs. Performs other duties as assigned.

SELECTING OFFICIAL: LTC Christopher Hyde
